# AS ECONOMICS

Paper 2 The national economy in a global context

Monday 23 May 2016 Morning

Time allowed: 1 hour 30 minutes

# **Materials**

For this paper you must have:

- the source booklet
- a calculator.

# Instructions

- Use black ink or black ball-point pen. Pencil should only be used for drawing.
- Fill in the boxes at the top of this page.
- Answer all questions in Section A.
- Answer either Context 1 or Context 2 in Section B.
- You will need to refer to the source booklet provided to answer Section B.
- You must answer the questions in the spaces provided. Do not write outside the box around each page or on blank pages.
- Do all rough work in this book. Cross through any work you do not want to be marked.

# Information

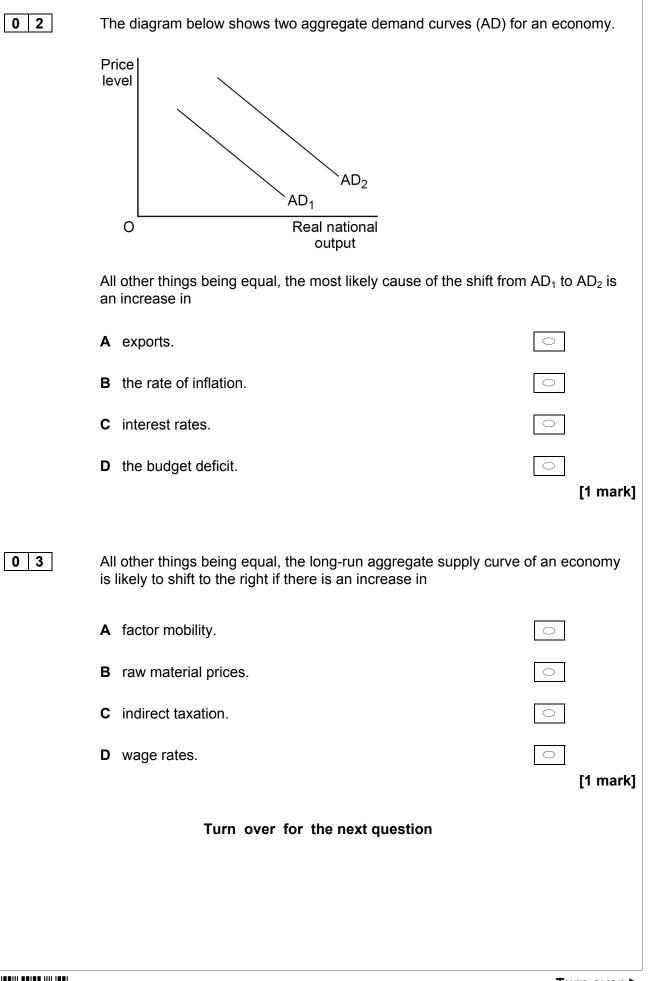

- There are 70 marks available on this paper.
- The marks for questions are shown in brackets.
- No deductions will be made for wrong answers.

	Section A		
	Answer <b>all</b> questions in this section		
For each answ correct метноо If you want to	Only one answer per question is allowed.         For each answer completely fill in the circle alongside the appropriate answer.         CORRECT METHOD       WRONG METHODS         If you want to change your answer you must cross out your original answer as shown.		
If you wish to select as show	return to an answer previously crossed out, ring the answer you r vn.	low wish to	
0 1 Cr	nanges in real GDP are used to measure		
А	inflation.	0	
В	the level of employment.	0	
C	economic growth.	0	
D	the distribution of income.	[1 mark]	

# 0 6

The table below shows how the index of GDP and the index of population changed in an economy between 2011 and 2015.

	GDP (2013 = 100)	Population (2013 = 100)
2011	92	97
2012	96	99
2013	100	100
2014	101	102
2015	103	103

### Which one of the following can be inferred from the data?

Α	Population was higher than GDP in 2011
В	Between 2011 and 2013, GDP grew by 8% whereas population grew by 3%

- **C** There was no growth in GDP per capita between 2013 and 2015
- **D** Money GDP increased by more than real GDP between 2011 and 2015
