MARK SCHEME

Maximum Mark: 11

---

**Published**

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge International will not enter into discussions about these mark schemes.

Cambridge International is publishing the mark schemes for the May/June 2022 series for most Cambridge IGCSE, Cambridge International A and AS Level and Cambridge Pre-U components, and some Cambridge O Level components.

---

This document consists of **13** printed pages.

**Generic Marking Principles**

These general marking principles must be applied by all examiners when marking candidate answers. They should be applied alongside the specific content of the mark scheme or generic level descriptors for a question. Each question paper and mark scheme will also comply with these marking principles.

**GENERIC MARKING PRINCIPLE 1:**

Marks must be awarded in line with:

- the specific content of the mark scheme or the generic level descriptors for the question
- the specific skills defined in the mark scheme or in the generic level descriptors for the question
- the standard of response required by a candidate as exemplified by the standardisation scripts.

**GENERIC MARKING PRINCIPLE 2:**

Marks awarded are always **whole marks** (not half marks, or other fractions).

**GENERIC MARKING PRINCIPLE 3:**

Marks must be awarded **positively**:

- marks are awarded for correct/valid answers, as defined in the mark scheme. However, credit is given for valid answers which go beyond the scope of the syllabus and mark scheme, referring to your Team Leader as appropriate
- marks are awarded when candidates clearly demonstrate what they know and can do
- marks are not deducted for errors
- marks are not deducted for omissions
- answers should only be judged on the quality of spelling, punctuation and grammar when these features are specifically assessed by the question as indicated by the mark scheme. The meaning, however, should be unambiguous.

**GENERIC MARKING PRINCIPLE 4:**

Rules must be applied consistently, e.g. in situations where candidates have not followed instructions or in the application of generic level descriptors.

**GENERIC MARKING PRINCIPLE 5:**

Marks should be awarded using the full range of marks defined in the mark scheme for the question (however; the use of the full mark range may be limited according to the quality of the candidate responses seen).

**GENERIC MARKING PRINCIPLE 6:**

Marks awarded are based solely on the requirements as defined in the mark scheme. Marks should not be awarded with grade thresholds or grade descriptors in mind.

3	<p><b>Read the passage from line 246 [<i>(Mysteriously). Nice little old men,</i>] to line 279–280 [<i>You have my blessing, Adam and Eve!</i>].</b>  <b>As an actor, how would you play YEFROSIMOV in this passage?</b></p> <p>YEFROSIMOV is described in the stage directions (line 43 and following) as ‘thin and clean-shaven’ and ‘wearing a well-cut suit’, and that ‘he startles all those who meet him by his curious tone and gestures’.</p> <p>YEFROSIMOV is a scientist completely involved in the moral and ethical implications of his science. He is motivated to look after and protect ADAM and EVA, into whose flat he has stumbled. There is a slightly manic element to the character, which depends on the stereotype of the mad boffin scientist. There is considerable scope for showing how aspects of this could be communicated in the passage.</p> <table border="1" data-bbox="304 734 1326 1061"> <tbody> <tr> <td data-bbox="304 734 443 831"><b>Band 1</b></td> <td data-bbox="443 734 1150 831">A detailed discussion of how to play several facets of YEFROSIMOV’s character.</td> <td data-bbox="1150 734 1326 831"><b>4–5 marks</b></td> </tr> <tr> <td data-bbox="304 831 443 927"><b>Band 2</b></td> <td data-bbox="443 831 1150 927">A broad explanation of how to play YEFROSIMOV’s character.</td> <td data-bbox="1150 831 1326 927"><b>2–3 marks</b></td> </tr> <tr> <td data-bbox="304 927 443 994"><b>Band 3</b></td> <td data-bbox="443 927 1150 994">A general description of YEFROSIMOV’s character.</td> <td data-bbox="1150 927 1326 994"><b>1 mark</b></td> </tr> <tr> <td data-bbox="304 994 443 1061"><b>Band 4</b></td> <td data-bbox="443 994 1150 1061">No creditable response.</td> <td data-bbox="1150 994 1326 1061"><b>0 marks</b></td> </tr> </tbody> </table>	<b>Band 1</b>	A detailed discussion of how to play several facets of YEFROSIMOV’s character.	<b>4–5 marks</b>	<b>Band 2</b>	A broad explanation of how to play YEFROSIMOV’s character.	<b>2–3 marks</b>	<b>Band 3</b>	A general description of YEFROSIMOV’s character.	<b>1 mark</b>	<b>Band 4</b>	No creditable response.	<b>0 marks</b>	5

9	<p><b>As an actor, how would you perform the role of ROELF?</b></p> <p>Each of the Scenes in <i>Like Doves We Rise</i> is inspired by a different character. ROELF is a victim of racism – a member of the ‘coloured’ multi-racial community of South Africa. The tone is set at the start of the scene as the cast circles ROELF, the way that they then gather around him, arguing passionately, and the confession at the end that MRS POPO beat him at school.</p> <p><b>Award credit for all creative suggestions as to how the role of ROELF could be performed.</b></p> <table border="1" data-bbox="304 651 1326 1982"> <tbody> <tr> <td data-bbox="304 651 1118 943"> <p><b><i>Shows a sophisticated practical understanding of the character of ROELF</i></b></p> <ul style="list-style-type: none"> <li>A comprehensive and effective discussion of how the role could be played, showing sophisticated understanding of its relationship with other characters and their significance in the extract.</li> <li>Excellent, practical suggestions, with sustained and detailed reference.</li> </ul> </td> <td data-bbox="1118 651 1326 943"> <p><b>Band 1</b> <b>13–15 Marks</b></p> </td> </tr> <tr> <td data-bbox="304 943 1118 1234"> <p><b><i>Shows detailed practical understanding of the character of ROELF</i></b></p> <ul style="list-style-type: none"> <li>An assured and mainly effective discussion of how the role could be played, showing considerable understanding of the other characters.</li> <li>Well-formulated ideas although there may be scope for further refinement;
