MARK SCHEME for the May/June 2008 question paper

<p style="text-align: center;">0515 FOREIGN LANGUAGE DUTCH</p> <p>0515/02 Paper 2 (Reading and Directed Writing), maximum raw mark 48</p>
--

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

- CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the May/June 2008 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

Accuracy marks for Question 27

Language Marks General Notes

This positive mark scheme is intended to reward both accuracy and ambition. No marks are deducted for errors. There is no 'impression marking'.

Punctuation: incorrect punctuation will be tolerated.

Repetition: rule of three, i.e. that only the first three examples of identical lexis and structure in identical circumstances will be rewarded.

Accuracy: in letters, ignore any address or date. Ignore also any title which the candidate has invented. No marks may be gained for these items.

Irrelevant material: no marks may be obtained for clearly irrelevant material. Count such material in the word count, but bracket it.

Word Limit: count up to exactly 100 words for Language, but allow up to 110 for Communication. Consequently, award no more marks after 100 words for Language and after 110 words for Communication.

Marking units: a tick is awarded for a correct marking unit of which each element is correct. The tick is recorded over the scoring word.

A VERBS

1 Subject/verb accord

Correctly spelt noun or pronoun + any correct finite verb in the correct word order = 1 tick.

The personal pronouns: *ik, je/jij* etc. as well as the indefinite pronouns: (n)iemand etc. must be correctly written. The present tenses of *hebben* and *zijn* also score ticks, if appropriate.
