Your Oral Assessment marks will be based on the task outlined on the back of this card. The whole test should take about fifteen minutes.

## A Schoolwork and leisure

One of the problems that many students have is finding the right balance between schoolwork and leisure time activities.

Discuss with the Examiner some of the difficulties of deciding how to divide your time.

You may wish to consider such things as:

- the amount of out-of-school time you need to devote to school work
- the activities or hobbies that you wish to enjoy outside school
- any difficulties you experience in dividing your time
- advice/guidance you get from parents and teachers
- how successful you are in getting the balance right

You are free to consider any other ideas of your own.

You are not allowed to make any written notes.

**F Choose a Topic**

Choose **one** of the topics below and talk about it for a few minutes. The Examiner will ask you questions when you have finished. You may take a minute or two to write some brief notes before you begin.

- 1 Most sports are dangerous and should be avoided. A gentle walk is more healthy.
- 2 Young people should always listen carefully to advice given to them by older people.
- 3 People who are very ill should be allowed to choose how and when they die.
- 4 A few countries have too much influence in the world.
- 5 The Internet and electronic games are a threat to family life.
