..... [1]

(b) What might be a problem in the south tomorrow evening?

..... [1]

[Total: 8]

Exercise 2

- 5 You will hear a student called Janine giving a talk about taking up running as a hobby. Listen to the talk and complete the details below. Write **one or two words, or a number**, in each gap.

You will hear the talk twice.

Taking up running

Janine admits that she chose a not far from her home for her first run.

On her first run, she succeeded in running for a period of minutes without having to stop.

The running programme that Janine used helped her gradually build up her

Within a month, Janine had stopped focusing on her as she ran.

Janine sometimes found it helpful to listen to on her headphones during her runs.

Janine most enjoyed looking at the on her runs.

Later on, Janine's longer routes included going along an old in her town.

Janine has discovered that treating herself to some after a run is excellent for her motivation.

[8]

Exercise 3

- 6 You will hear six people talking about fashion, and the way they dress. For each of speakers 1 to 6, choose from the list, **A** to **G**, which opinion each speaker expresses. Write the letter in the appropriate box. Use each letter only once. There is one extra letter which you do not need to use.

You will hear the recordings twice.

- | | | |
|-----------|--------------------------|--|
| Speaker 1 | <input type="checkbox"/> | A I think fashion only plays a small part in my life. |
| Speaker 2 | <input type="checkbox"/> | B I like copying what famous people are wearing. |
| Speaker 3 | <input type="checkbox"/> | C I tend to dress in a similar way to my friends. |
| Speaker 4 | <input type="checkbox"/> | D I'd buy more clothes if I had enough money. |
| Speaker 5 | <input type="checkbox"/> | E I prefer to look very different from other people. |
| Speaker 6 | <input type="checkbox"/> | F I like adding detail to my clothes. |
| | | G I make sure I change my style regularly. |

[6]

Please turn over for Exercise 4.

Exercise 4

- 7 You will hear an interview with a woman called Sophie Rudd, whose job is to find old black and white photos and add colour to them by hand. Listen to the interview and look at the questions. For each question, choose the correct answer, **A**, **B** or **C**, and put a tick (✓) in the appropriate box.

You will hear the interview twice.

- (a) How did Sophie first become interested in adding colour to old photos as a career?

- A** She was introduced to it by a local photographer.
- B** She saw the technique used on a relative's photo.
- C** She found some examples at an exhibition. [1]

- (b) Sophie thinks hand-coloured photos became popular years ago because

- A** the process was quite easy.
- B** there was no other alternative at the time.
- C** they were a cheaper way of getting a nice photo. [1]

- (c) What does Sophie say about hand-coloured photos used on old postcards?

- A** They were more widely available than people might think.
- B** They were produced using accurate information.
- C** They became something that people collected. [1]

- (d) How did Sophie learn to colour photos by hand?

- A** She managed to find a good tutor.
- B** She relied on her mother to show her how to do it.
- C** She started by teaching herself using some helpful videos. [1]

- (e) What does Sophie say about her approach to working with historical photos?

- A** She spends a long time deciding which colours to use in the photos.
- B** She always gets help from experts to analyse the photos.
- C** She only works on photos she's already familiar with. [1]

(f) Once Sophie has started hand-colouring a photo

- A** she tends to work on it as if it was a painting.
B she always considers each stage very carefully.
C she sometimes decides to give up working on it.

[1]

(g) Which response to her book of historical photos has Sophie most appreciated?

- A** the feedback she's got about its use in schools
B the encouragement she's received from a historian
C the positive contacts she's made through social media

[1]

(h) What does Sophie plan to do next?

- A** give talks about her photos
B get a formal qualification
C teach others her skills

[Total: 8]

Exercise 5

- 8 (a) You will hear wildlife journalist James Wright giving a talk about animals called beavers. These animals build wooden structures, called dams, across rivers. Listen to the talk and complete the notes in Part (a). Write **one or two words, or a number**, in each gap.

You will hear the talk twice.

A study about beavers

James has been investigating beavers in his area, which were discovered there in the year

James explains that the danger of is one reason beavers build dams across rivers.

James mentions that an important consequence of the beavers' dams is the slowing of

The dams also benefit the river by reducing the level of certain , from farming areas.

Although some were recently damaged due to beavers' habits, the local attitude to the beavers remains positive.

[5]

- (b) Now listen to a conversation between two biology students about a study trip they're going on to learn more about beavers, and complete the sentences in Part (b). Write **one or two words only** in each gap.

You will hear the conversation twice.

A trip to learn more about beavers

The man and woman are both looking forward to their trip to in order to study beavers.

The woman became interested in beavers through her project about living by rivers.

The man mentions one writer's view that, of all wildlife, beavers have the biggest influence on the of the surrounding area.

Both students agree that beavers could play a major role in decreasing the effects of

Both students decide to find out more about beavers from a
