for the guidance of teachers

0511 ENGLISH AS A SECOND LANGUAGE

0511/13

Paper 1 (Reading and Writing – Core), maximum raw mark 56

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

Cambridge will not enter into discussions or correspondence in connection with these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2012 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

Exercise 6 FIRS	T TIME FOR EVERYTHING	Camb
Exercise 7 CARS	S – ADVANTAGES AND DISADVANTAGES	13g
The following gene	eral instructions, and table of marking criteria, app	ly to both exercises.
• Contont covo	re relevance (i.e. whether the piece fulfile the ter	sk and the awareness of nurness.

Exercise 6 FIRST TIME FOR EVERYTHING

Exercise 7 CARS – ADVANTAGES AND DISADVANTAGES

- Content covers relevance (i.e. whether the piece fulfils the task and the awareness of purpose/ audience/register) and the *development of ideas* (i.e. the detail/explanation provided and how enjoyable it is to read).
- Language covers style (i.e. complexity of vocabulary and sentence structure) and accuracy (of • grammar, spelling, punctuation and use of paragraphs).
- When deciding on a mark for content or language, first of all decide which mark band is most appropriate. There will not necessarily be an exact fit. Then decide between 2 marks within that mark band. Use the lower mark if it only just makes it into the band and the upper mark if it fulfils all the requirements of the band but doesn't quite make it into the band above.
- When deciding on a mark for content, look at both relevance and development of ideas. First • ask yourself whether the writing fulfils the task, in terms of points to be covered and the length. If it does, it will be in the 4–5 mark band.
- When deciding on a mark for **language**, look at both the **style** and the **accuracy** of the language. • A useful starting point would be first to determine whether errors intrude. If they do not, it will be in the 4–5 mark band.
- The use of paragraphs should not be the primary basis of deciding which mark band the work is • in. Look first at the language used and once you have decided on the appropriate mark band, you can use the paragraphing as a factor in helping you to decide whether the work warrants the upper or lower mark in the mark band.
- If the essay is considerably shorter than the stated word length, it should be put in mark band • 2–3 for content or lower for not fulfilling the task.
- If the essay is **totally irrelevant** and has nothing to do with the guestion asked, it should be given • 0 marks for Content and Language, even if it is enjoyable to read and fluent.
- If the essay is partly relevant and therefore in mark band 2-3, the full range of marks for language is available.
