### A Internationalism

Most of us would like to think that we have an international outlook, but what does this actually mean?

Discuss this topic with the Examiner.

Please use the following ideas to help develop the conversation:

- what you like about some other countries
- ways that you think you could become more internationally minded
- how much your country engages with other countries
- ways in which countries work together on multinational projects
- why some countries might not like the idea of being friendly with other countries.

You are free to consider any other **related** ideas of your own.

Remember, you are not allowed to make any written notes.
