GLOBAL PERSPECTIVES

International General Certificate of Secondary Education

www.papaCambridge.com Grade thresholds taken for Syllabus 0457 (Global Perspectives) in the May/June 2011 examination.

| | maximum mark available | minimum mark required for grade: | | | | | |
|-------------|------------------------------|----------------------------------|----|----|----|--|--|
| | | A | С | E | F | | |
| Component 3 | 100 | 72 | 54 | 40 | 30 | | |

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it. Grade A* does not exist at the level of an individual component.

The thresholds for the syllabus are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is 200.

The overall thresholds for the different grades were set as follows.

| Option | Combination of components | A * | Α | В | С | D | E | F | G |
|--------|---------------------------|------------|-----|-----|-----|----|----|----|----|
| А | 01, 02, 03 | 164 | 145 | 126 | 108 | 93 | 78 | 60 | 42 |

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
