## KEY INFORMATION

### SPECIFICATION CODE:

J316

### IDEAL FOR:

Students who want to go on to AS or A Levels, higher education or make a well informed career choice

This qualification provides the ideal foundation for students to progress to AS Level and A Level Drama and Theatre or Level 3 Cambridge Technical in Performing Arts

### FINAL AWARD:

## THE QUALIFICATION

At the heart of this qualification is the opportunity for your students to study drama in an academic setting, interrogating this art form and applying their knowledge and understanding to the process of creating and developing drama and to their own performance work.

There's the chance for them to develop a range of theatrical skills and to work collaboratively to generate and communicate ideas and meanings through informed artistic choices.

Through the non-exam assessment, students can experiment and take risks with their work while developing their own style. There are no set texts in the 'Presenting and performing texts' component. Our view is that, as a teacher, you should have the freedom to choose the ones that, in your professional opinion, are best suited to your students.

## ASSESSMENT

Our GCSE (9–1) in Drama consists of three components. In summary:

- 'Devising drama' (01/02) is internally assessed. This component is a non-exam assessment and consists of a portfolio and a performance. Students can take on the role of performer or designer (lighting, sound, set or costume).
- 'Presenting and performing texts' (03) is externally assessed. This component is a non-exam assessment and consists of a performance showcase for a visiting examiner. The text for the non-exam component can be chosen by the centre. Students can take on the role of performer or designer (lighting, sound, set or costume).
- 'Drama: Performance and response' (04) is an examined component. Section A consists of short-answer questions relating to the study of a text. Section B is an extended response, analysing and evaluating a live drama performance.
