OCR Advanced Subsidiary GCE H148

Unit G401 Creating Performance

Instructions relating to the Moderation of Marks

1. Attention is drawn to the following documents:
 - (a) the Performance Studies Specification booklet;
 - (b) the coursework regulations in the OCR Administrative Guide and Entry Code Booklet;
 - (c) the Performance Studies Coursework Cover Sheet: CCS/G401;
 - (d) the Performance Studies Unit Content Proforma: UCP/G401.
2. Teachers are reminded that all coursework marking and internal moderation must be completed in good time before the submission of marks to OCR and the Moderator. All relevant materials must be received by the Moderator by **15 May (for the June Assessment Series)**.
Teachers are urged to submit their marks and work before the deadline, if at all possible.
3. All internal marking and moderation procedures must be completed before external moderation can take place. Detailed marks must be recorded on the Performance Studies Coursework Cover sheet and the relevant total marks must be submitted either via Interchange or EDI files sent via A2C. Care must be taken to ensure that all mark calculations and transfers are correct. OCR cannot accept responsibility for the submission of incorrect total marks.

Please note that marks for each unit must be submitted out of a maximum of **70**.

4. Internal Moderation

Teachers are reminded that it is the responsibility of the centre to award coursework marks, which reflect the attainment of all the candidates in the unit at the centre. Evidence to show that effective internal moderation has been carried out must be retained in all cases where the centre's single order of merit is the result of combining two or more orders of merit within the centre.

5. External Moderation

Marks should be submitted either via Interchange or EDI files sent via A2C. A printout copy of the marks should be sent to the Moderator whose name and address is given on the computer-printed labels. **Please refer to the Examinations Officer at your centre to obtain the name and address of your moderator;**

6. Sample of Work and Documents to be despatched to the Moderator

Coursework will consist of a written commentary for each candidate and a DVD of each group's performance.

Where 15 candidates or fewer are entered for a unit, the coursework for all candidates will be required with a copy of the marks by the appropriate deadline (as above).

Where more than 15 candidates are entered for a unit, submit the marks by the appropriate deadline, as described above and wait for the Moderator to tell you which candidates' work to submit.

Any correspondence with OCR relating to Special Arrangements for coursework should also be submitted.

Checklist of things to be sent to the Moderator

- (a) Samples of Coursework, (written commentary and DVD of performance) as described above.
 - (b) Coursework Cover sheets for candidates in the sample (CCS/G401).
 - (c) DVD running order (DVDROF/G401).
 - (d) Print-out copy of Marks.
 - (e) Copy of the relevant unit content Proforma (UCP/G401).
7. Each piece of coursework sent to the Moderator must be clearly marked with the centre's name and number, the candidate's name and number, and the unit name and number.
- Each piece of coursework sent to the Moderator must be clearly and sufficiently annotated to support the marks awarded. This must go beyond a tick and may take the form of marginal notes or abbreviations such as K/U etc.
- The samples of work should be packed securely to ensure safe delivery. No work should exceed A3 size. Bulky covers should be removed, as they will increase significantly the cost of postage. Centres are advised to obtain a certificate of posting.
8. DVDs should be clearly labelled and appropriately divided into chapters where there is more than one performance. Candidates should announce themselves, name and candidate number, in costume, at the start of their piece.
9. The Moderator will request further samples of work from the centre if he or she considers it to be necessary. Centres should respond with the minimum of delay.
10. Centres will be notified of the outcome of the moderation of their candidates' work when the unit results are published, and have the right to apply for re-moderation **within four weeks** of receipt of these results.
11. Teachers are advised that all coursework should be retained in the centre until after the unit results have been published.
